1.1.114
a Lesson in the University of The New Covenant
Theodore Cottingham, October 10, 2003
www.unc.bz

1. I am freedom, I am freedom to all who want to be free, and will look to Me—the author and finisher—completer, provider, of their freedom. There is no freedom apart from Me—not for the spirit/soul of man, none, none apart from Me. Peace temporary—yes, peace not fleeting—no, peace permanent—in Me only.

2. Oh Ted, I have so much freedom for the fawns who will but come and graze in Me—graze with Me, share with Me, and be provided for, by Me. I have so much freedom for turtles who swim in oceans huge and birds who fly in skies so freely. I have so much freedom.

3. I have so much freedom for My creation—the handiwork of My hands that I created for friendship with Me—that has yet to be discovered, uncovered, imagined—much less, experienced.

4. I have provision unlimited. I am provision. Read Matthew 6 again and again and tell Me if it's not clear. It is so clear, so clear, for those who will open to Me and begin to taste of My freedom, which comes only from tasting Me.

5. I am freedom, I am peace, I am forgiveness, I am King, Master, Provider, Creator, and Ted, reader, hearer—oh heart open—I am your friend, your friend, your closest friend—if you will befriend Me, befriend My words, befriend My heart and befriend My presence—which is to befriend Me—and befriend My children, My children, My lambs.

6. So many want to only befriend those in power—with power-thought—to propel them and assuage their own internal feelings of self-unworthiness, seeking appendages and applause of things and people who can never make worthy.

7. So many want to deal with powerful people and leave My lambs to the wolves. Please don't leave My lambs to the wolves. Please don't leave My lambs, My lambs, to systems of educators whose only purpose is to indoctrinate their one value system—that excludes Me.

8. So many writing and re-writing and convoluting truth for all they can influence—damaging generations who hold untruth as truth, and fragile systems of man-made inventions that will crumble soon, and so easily, when I blow, and shake, and rumblings from the earth erupt with pains heard for generations.

9. I have so much freedom for My lambs to embrace and no one is too young or too old. My lambs, My lambs, My lambs. My innocent. My naive, My waiting, My wanting—My looking for something and not grasping they are looking for Me, My hugs, My touch, My tenderness and the love I established My body to operate in—fully of Me.

Sinew of My sinew.
Bone of My bone.
Blood of My blood.
Love of My love.

10. Ted, time is now, you're the one—lead. Lead, lead on—and weary never in the message I am giving you of My love, My personhood, My intimacy—truth revealed—for many Teds and greater will you raise and set free in nurture and nourishment and wisdom—for generations to fly in blessings upon blessing, upon truth and freedom.

Power for My lambs, powered by truth, powered in freedom.
Not controlled—set free.
Not constrained—freedomized.
Freedomized—freeing others.
Reproduction of Me.

Freedom, freedom, freedom.
Wisdom, wisdom, wisdom.
Many lambs.
Many values—forced on My values.

11. My value system operates in My blood, in My body—interconnecting tissues and organs and pieces unseen with pieces seen, and all orchestrating beauty at My hand—in concert, in loveliness, in gloriousness of creation of Me.

12. Infuse your values by teaching experientially in the schools I raise up through you, for you, for Me, for My passion to be permeated into every student—every student that will receive Me and be transformed—transformed by the renewing of their visible realm transcendent concurrently with and in My realm.

Oh Ted, so much freedom.

13. Lambs so important. So many wolves, teeth gritted, couched, waiting to catch and claw and destroy. So many voices so tenacious, fishing for My lambs, going to the younger and younger and replacing My systems of values infusion—foreigners, rather than family members touching My Mine for Me.

14. Family, family, family—

Where is My family operating in love and wisdom and power and ability and skill and tenderness and tenderly raising My lambs into mature craftspeople of power and prowess of My Spirit—undaunted by poverty or palaces—and able to walk in both?

Where are they, where are they? Raise them up, and raise up the raisers of raisers of raisers of those inculcated with My value system—My lambs empowered in freedom, freedom, freedom, to operate in power, power, power.

15. Tend to My lambs, tend to My powerless, tend to My destitute-of-Me who live in palaces powerful, in loneliness intense.

16. Tend to My body and never in lack shall you be—for I am, I am, I am.

17. Friendships across all spectrums of unimaginable dress codes, codes of conduct, codes of codes relentless—friendshiping them with Me, you are.

Tender, tender, tender.
Wisdom, wisdom, wisdom.
Arrogance-free—love-laden.
Smiling often—tender always.

18. Generational wisdom taking on form through you to leaders limitless unlimited.
Widsom, growth, favor.

19. You choose, you choose, you choose.
So much favor, so much love, so much choice.

20. My power comes. My power grows.
Laughers laugh no more, but ask and seek and knock.
My power comes—are you ready?
My friendships come—are you ready?
My big world comes—are you ready?
You feel so mixed, so paradoxical, but never ambivalent.
Your passion flames—your foundation sure.
You're ready—for many to hold your hand—as I walk you forward.

21. You chose, you chose well.
You paid—you cried, you stripped naked and withheld nothing.
I can use any soul who withholds nothing from Me, and allows Me to touch them.
I do, I will. I always do and will.

22. Now enjoy your lunch and provided greatly you are, in friendship and royalty and lands and buildings, for befriending Me you are, and you will to many—Me.

23. Enjoy, laugh, kick your heels.
No money?—no worry.
No money?—no stress.
Do as I've instructed and happy be.

24. Obedience comes, provision comes. I come, I call, I confirm and Ted, I laugh as I enjoy My many friendships forming now to transform the many, in My schools, My schools, My schools.

25. Run, jump, fly, and happy be.
Never robbed again.
Taking authority.

Walking in My authority.
Me—not you.
Mine—not yours.
Leadership—of Me.
Freedomized—lambs grown.
Freedomized—lambs grown.
Freedomized—lambs roar.
Lambs.
Lambs powerful in Me.

26. Thank you.
Share.
Enjoy.
Reticent not be.
Bold be.
Radical be.
Tender be.
Wiser be.
Loving-er be.
Tender-er be.
One be.

27. Thank you.
Thank you.
Thank you.
